

A large, stylized black question mark serves as the background for the entire image. It has a thick, rounded top curve, a vertical stem, and a curved base that sweeps to the right.

*The Plug Select*

A yellow plug icon is positioned behind the text. It has a rounded rectangular body and three horizontal prongs on the right side. The text "The Plug Select" is written in a black, italicized serif font across the middle of the plug's body.

## *Creators*

Avi: Front-End Developer

Christian: Front-End Developer

# *Concept*

We wanted to create a website what would facilitate our users on their bidding efforts. Our website allows users to view bids, upload their own items, as well as contain a chat room that lets users communicate with other user's.

# *The Process*

What our website contains:

Sequelize, Express, Mysql, Bootstrap, Handlebars, Socket.io

Challenges

- Making out Login page function correctly without errors.
- Understanding Socket.io, Cloundinary, and Stripe

# *Future Developments*

Future developments:

- Adding a way for user's to see who is selling items near them.

*Demo*
